Hello All,

I am putting this meeting together to discuss comments on the seed treatment language in the FIFRA mitigation. I have attached some comments from Amber that are included in the overall document. If there are any additional people that should be added to the meeting please forward to them as well. I am adding Kelly Tindall to this meeting as well to speak to treated seeds.

Kelly - I know you have a meeting at 3:30 but if you could provide some of your knowledge for the first half that would be greatly appreciated.

Best,
Quinn
